Headteacher's Message

What a fantastic academic year we have had in school! We have much to celebrate this term. I am extremely proud of all pupils who have taken a statutory test this term. Year 1 sat their Phonics Screening Check, Year 2 completed their KS1 SATs, Year 4 completed their Multiplication Tables Check and Year 6 completed their KS2 SATs. All children showed excellent determination to succeed and we are extremely proud of each and every one of them. It is a joy to walk around school and see the children taking part in so many enriching experiences and in an engaging curriculum. Many trips have been successful and enjoyed by the children. I would like to thank all parents and carers for their support and engagement over the year. It is a joy to serve in Castle View Primary and Nursery School and within this community. I wish you all a lovely and safe summer.

Congratulations and well done to all our year 6 pupils who have grown into the most wonderful young pupils, ready for their next chapter. Each and every one of them have made us at Castle View extremely proud of who they have grown to be. We wish them the best of luck in the next stage of their education journey.

Wedding Bells are Ringing

A huge congratulations to Miss J Ord and Miss C Shalders who are both getting married this summer. Miss J Ord will return in September as Mrs J Hidden and Miss C Shalders will return as Mrs C Johnston. We wish them both happiness and love.

School contacts

Please make sure, if you have any change to contact details for your child, can you make the school office aware so information can stay up to date. This is very important, in case school needs to contact you in an emergency and this can also be related to you not receiving message via our Schoolcomms app.

Absences & Illnesses

Please note all absences must be reported to the school office every day that your child is absent by 9am. This ensures that we know where all children are and if they are safely in school. You can report any absence by calling the school office or messaging on the school gateway app.

Governance Updates

We are thrilled to welcome Mrs Jennifer Gavin as a Co-Opted governor to our school. Mrs Gavin has an extensive knowledge in construction, accountancy and business management and will play a vital role as a critical friend of the school and will help create strategic vision and direction.
