

14th January 2024

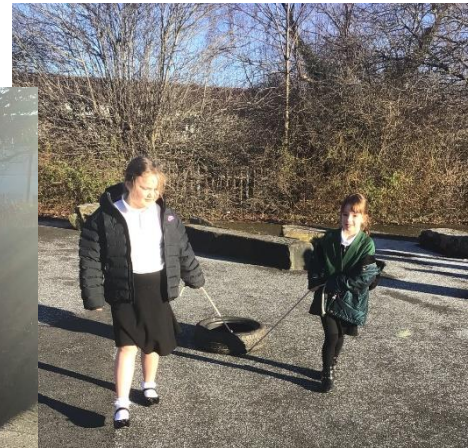

We started our OPAL (Outdoor Play and Learning) project in November and have enjoyed providing your children with new equipment to play with. Have a look at what we've done so far!

We love to use chalks to draw images, write messages and create our own games.

We have sourced almost 100 tyres and the children love to roll them and climb into them!

Our playground is filled with materials, ropes and boxes for making dens and pull-along carts.

We can't wait to show you what we bring out next...
