Autumn 2 term at Castle View!

Introducing our new OPAL Ambassadors!

These children will work to support play time, ensuring a safe and happy environment is achieved daily. 😊

This term, we have opened our very own **tyre world** where we can climb, crawl and explore.

We have also built a large-scale **mud kitchen** where we have been cooking, investigating and exploring.

We have upgraded our small trowels for larger shovels so that we can **dig** further.

Can you help?

With the building of a new kitchen area, we would appreciate any donations of:

- Pots and pans
- Spoons and mixing equipment
- Plastic bowls
- Plastic jugs

We would also heavily appreciate any scooters which could be used on our playground.

Thank you for your support. 😊
