Wednesday 23rd April 2025

Sports Day 2025

Dear parents/ carers,

After the success of last years Sports Day, we will be taking the same approach this year. This event will enable all children to take part, has a healthy level of competition, has a variety of events and most importantly, is fun and enjoyable for our children. Sports Day will be held on **Thursday 19th June 2025**, EYFS & KS1 in the morning, 9am – 12pm and KS2 in the afternoon, 1pm – 3pm.

There has been a lot of preparation and organisation which has gone into this event to ensure the day runs smoothly but we kindly ask that you follow the rules below to ensure the day runs even smoother:

- Do not cross the racetrack.
- Do not enter the school building.
- Please refrain from going over to your child/children throughout the event as this may delay events from starting and may cause unnecessary disruption. There will be opportunities at the end of the event to take pictures of your child/children.
- Please ensure your child/children attends school in a T-Shirt of the colour for their team with a water bottle, cap and suncream. Information on your child/children's colour to follow.
- Please ensure suncream has been applied prior to attending school.
- If taking pictures, please ensure you refrain from posting on any social media platforms.
- Please encourage your child/children as much as possible.
- If your child/children doesn't achieve 1st, 2nd or 3rd place, please encourage them to stay positive as taking part is already a huge achievement.

We believe that healthy competition inspires children to do their best, but our overall message to the children is that it is the taking part that counts.

'The healthiest competition occurs when people win by putting in 110% effort'

Yours sincerely

Mrs Vick.
